

PRODUCT: CLEANING STRIP

CLEANING STRIP FOR **DUST-AID** *Platinum*

LOGO

The CLEANING STRIP is designed to clean dust and fibers from the 3inONE DSLR CLEANER silicone.

DESCRIPTION

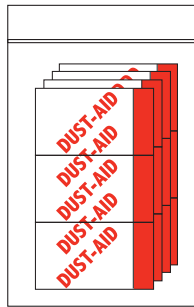

The CLEANING STRIPS are made with specially formulated adhesive that will not transfer to the 3inONE DSLR CLEANER when it's used to remove dust and fibers from the silicone. Purchasing additional CLEANING STRIPS will allow the 3inONE DSLR CLEANER user to lengthen the life span of the 3inONE CLEANER.

- Cleans dust from 3inONE Silicone
- 12 cleanings per package
- Adhesive will not transfer to silicone
- Safe and easy to use
